

Sunday morning if I have no
bad luck in getting there.
I have not had time to go to the
Photo Gallery yet will go tomorrow,
do not think hard of me for not going
any sooner, "no. no! don't think for
a moment I am flattering you,
for I am only saying what is
due to you, in my own estimation
you are highly esteemed,
Well I will tell you, I know you
are a nice girl and also as
Sweet as can be, now S. H. if
you dreamed of me you must
have been thinking of me
when you were alone and had
no one to cheer you up!
Tell those girls they ought to
have some body cry after them
as they were anxious for you to cry,
and Sweet Heart you did not
shed a tear, of course not there is
